Please note that following the introduction of toll booths on the main A22, we recommend you consider the directions detailed but missing out the section highlighted below and replacing with the amendments

At all times, heading towards Portimao will take you in the correct direction until you approach Albufeira.

Exit the airport (there is only one way) and bearing right you will join the road, towards Faro / Montenegro.

You then need to follow signs for A22 Portimao / Lisboa / Loule. You take the slip road after about ½ mile and join the N125.

IF USING THE A22 (Toll Motorway)

(Follow this road for about 2 miles before taking the slip road for the IP1 / A22 Portimao. This is shortly after passing the Algarve Football Stadium on your right.)

The IP1 / A22 is the same road – stay on this for approx 25km and you will see sign for Albufeira 1000m (this is the second exit of two close together.)

Follow the road, heading towards Albufeira, keeping in the left hand lane before forking off to the right heading to 395 Albufeira. At the roundabout (opposite retail park) turn right.

IF AVOIDING TOLL ROADS

Continue on the N125 following signs for Almancil, then Boliqueme and then Albufeira You will pass a sign to Albufeira on the left (do not turn here) but keep on the road until you see sign for Albufeira / Ferrerias and take the slip road before turning left at the junction.

Remain on this road heading across a main roundabout until you pass the petrol station on the left. At the end of the road at the World Spheres roundabout you turn right up the hill.)

Remain on this road through the traffic lights and straight across at the next roundabout up the hill and then heading down the hill (passing the colourful Marina Village on the left).

At the next roundabout take a left towards the Marina, before taking first right at the large roundabout. This takes you along a back road. Head for approx 500 yards before turning left signed CS Sao Rafael Hotel up the hill. At the brow of the hill you will see the Hotel Maritur on the left and CS Hotel in front of you. Take the left turn there and as you head down the road you will pass a triangular road junction with various signs attached. Parking is just past here so turn right and pull in to the left.

Once parked, apartments are signposted 30 – 79A. Walk along the rear of the properties, underneath one staircase and the next set of stairs is to the apartment, signed 34 (B)

It is recommended that you print the google map to go with these directions.
